# Secluded Country Living with Everyday Ease

Set in the peaceful Lansdowne hinterland, this brick home offers a rare balance of seclusion, space, and everyday convenience just minutes from the village and an easy drive to Taree or the coast. Wake up to calming rural views, unwind by the firepit under open skies, and enjoy a lifestyle where nature, comfort, and practicality come together effortlessly. Inside, light filled living, timber floors, air conditioned bedrooms, and a warm woodfire create a home that feels both inviting and functional, while generous garaging adds flexibility for storage, hobbies, or work from home needs. Properties that deliver this level of privacy, accessibility, and lifestyle appeal are rare, making this an opportunity worth acting on.
