Easy Family Living with Room to Enjoy

Give your family the space to settle in and enjoy everyday life in this neat and tidy three bedroom home, where built in wardrobes, separate lounge and dining areas and a practical three way bathroom make busy routines that little bit easier.

Outside, the good sized yard gives the kids plenty of room to enjoy, while the single lock up garage offers valuable extra storage beyond simply parking the car. With local schools and shops close by, this is a smart choice for families wanting genuine space, practicality and convenience all in one well positioned home.
