

1 to 48/C/O Cromwell Business Park, Cromwell

Premium "eyes on" corner location

Cromwell Business Park

Ideally positioned for maximum exposure in Cromwell, these industrial lots are located in a high traffic area.

It is rare in Cromwell to find options like this. Having both Cemetery Road and the State Highway as boundaries offers significant exposure. It offers many development opportunities, paired with a huge number of passing vehicles daily makes this not only a great location but also a great marketing opportunity.

Due to the scarcity of large industrial lots in Cromwell, and the lack of new land developments, opportunities for modern industrial land like this one are limited.

Cromwell is fast becoming the servicing hub for the wider Lakes District/Central Otago region. Securing a position here provides the opportunity to benefit from future expansion. There is no better time to invest in this premium "eyes on" location than now.
