

The Willows/213 Goombungee Road, Harlaxton

Once in a Generation Residential Development Opportunity on 54.93 Hectares

LJ Hooker Commercial Toowoomba are pleased to present an exceptional opportunity to acquire a strategically located parcel of rural land currently the subject of a Preliminary Approval Variation Request application, seeking to enable development of a master planned residential community.

Comprising approximately 54.93 hectares, the site is irregular in shape and largely cleared of vegetation, having been used for grazing purposes in support of the former K R Darling Downs Abattoir operations for more than a century. With minimal tree cover and open topography, the land offers an ideal canvas for large-scale residential development.

Comprehensive supporting reports have been prepared, outlining the site's development potential and setting a clear path forward to deliver a thoughtfully designed, high-quality master planned community. These reports address key planning, environmental, infrastructure, and market considerations, giving prospective purchasers the confidence to move forward with certainty.
