### BE YOUR OWN BOSS

If you've ever wanted to be your own boss of a well established agri business with a large clientele base and good turnover, this is the sign you've been looking for.

The owners have worked hard over the years to build up this business and the time is right for someone to take over the reins and reap the rewards.

Specialising in crop spraying and liquid Nitrogen application, and servicing the wider North Otago region, all the necessary equipment required to continue to make this business flourish is included in the sale.

Start the new year as the proud owner of your own business. Contact us today for an information memorandum and get the ball rolling.
