

Port Douglas, 46 Macrossan Street

RARE DEVELOPMENT / INVESTMENT OPPORTUNITY IN THE HEART OF PORT DOUGLAS

Astute investors will recognise the value of this extremely rare opportunity to secure a 1012m2 commercial site on the main street of Port Douglas that offers excellent road and foot traffic exposure.

Held under the same ownership for the last 35 years, the site currently comprises four separate shop fronts (consisting of 3 tenants) - all with established tenants in place. With the three going concerns well established and well patronised, the site offers the potential to either:

- * Retain the current premises/tenancies
- * Improve the premises in its current configuration.
- * Improve the premises under a new configuration.
- * Demolish the current premises (STCA) and establish a new retail, commercial or office
