REPUTABLE BUSINESS

One of the East Coasts most reputable businesses is available to purchase. Currently based in St Helens, the East Coast Taxi Service covers the entire Break O'Day Municipality. The service has been running continuously for over 25 + years and has no competition making it an incredibly desirable business. This fantastic local business also has the option to be lease through the current owner, this is not an opportunity to miss out on!

You have an opportunity to work the hours you chose and employ as many staff members as you please. You decide how you would like to structure your company.

Currently running one taxi, an economical Honda Jazz, there is no doubt that this well-established business is a fabulous opportunity for someone to embrace. There is also the opportunity to purchase two further taxi licences to expand your fleet.
