

Shop 2/150-152 Pacific Highway, Tuggerah

Premium Pacific Highway Showroom Opportunity

Position your business in a prime Tuggerah location at 150–152 Pacific Highway, where exposure, accessibility, and a modern retail-ready format combine to create a standout opportunity. This 92m²* space offers a full-glass shopfront, creating a bright, inviting presence that is perfectly suited to a showroom, display-driven retail, or any customer-facing business looking to project a strong brand image.

Located directly adjacent to the Metro service station, the property sits on one of the Central Coast's busiest and most visible main thoroughfares. Pacific Highway in Tuggerah serves as a key arterial route linking the M1 motorway with the broader Wyong-Gosford corridor, ensuring consistent passing traffic and high-profile positioning for your business. The site's prominent elevation and clear line of sight make it ideal for signage, branding, and foot-catch-off marketing.

The interior is clean, open-plan and flexible, allowing for easy fit-out to suit automotive, furniture, luxury goods, or professional service branding. Natural light floods the space through the expansive glass fa , enhancing visual merchandising and giving your customers a welcoming experience as they pass by.
