

30 Kidman Street, Ciccone

Versatile Opportunity for Investment or Occupy

A fully-operational industrial property positioned in the heart of Alice Springs' Ciccone precinct, offering established infrastructure and income in place from day one.

The site is configured as a true working depot. A 75 sqm office fronts the street and handles the day-to-day administrative function of the tenancy, while the 260 sqm workshop and washbay forms the operational core of the property — well suited to fleet maintenance, trades or logistics use. To the rear, a 210 sqm container dome shelter delivers high-clearance covered storage, and a separate 75 sqm caretaker's flat provides on-site residential accommodation — a genuine point of difference in this precinct, offering security, owner-occupier flexibility, or accommodation for fly-in operators.

The block is fully fenced and secured, with concrete hardstand, sealed yard areas, and generous vehicle movement space that comfortably caters to trucks, trailers and bus-sized fleet equipment.

Ciccone is Alice Springs' established industrial precinct — home to the town's transport, logistics, trades and service operators
