

2/14 Bishop Street, Woolner

Woolner Industrial Warehouse

14 Bishop Street is small industrial complex comprising 3 warehouses of concrete tilt slab construction. Bishop street is located in the well-established industrial suburb of Woolner, some 3 radial kms north of Darwin. Woolner has a mixture of residential and predominantly industrial zones.

The complex presents as an 'A' Grade facility and has fully concreted drive through access between Bishop Street and Jolly Street. The building is of concrete tilt slab and steel frame construction with Trimdek external wall cladding on the fae and roof. The warehouse height is approximately 6 metres at the western side and approximately 7 metres to the eastern wall, providing ample height to construct a mezzanine within. This is a well secured complex with entry via remote controlled security gate and the complex has security lighting at night.

Warehouse 1 and 2 are currently available. Warehouse 3 has already been taken.
