

Alexandra, 88 Symes Road, Fruitlands

YOUR JOURNEY BEGINS

I am incredibly proud to bring to market an unparalleled opportunity for those seeking a lifestyle amongst the natural countryside of Central Otago. Featuring a partially built residence, this is a chance to complete a bespoke design, carefully crafted to sit amongst the schist landscape, whilst enjoying all-encompassing views across the Fruitlands Valley out to the Hawkdun Ranges in the distance.

Some of the hard work has already been done, with essential groundwork such as water and power already in place, along with landscaping which is sympathetic to the natural surrounds. The Boundary is fully fenced and rabbit proofed. Irrigation via Last Chance Irrigation Company and potable water via Last Chance Community Water Scheme. There is still potential for a new owner to add their own finishing touches transforming this property into a perfectly tailored lifestyle.

Not often does an opportunity like this present itself, for someone to carry on what has already been a labour of love for the current owners and complete to create their own piece of Central Otago paradise.
