

12 Meters

Desert Springs, 33 The Fairway

Chance to Build the Dream!

This is one of the last vacant blocks of land in The Fairway/ Range Crescent area of Desert Springs.

1,150 square metres with views towards the 2nd Green and the 3rds elevated tee block would make for an amazing, elevated home to be build on the site.

This rare block of land is ready for a dream home to be designed to capture the magnificent views, and they only get better the higher you go particularly out to the west.

With no easements on the block, you have a large canvas to play with when you start designing, make every square metre count because opportunities like this are rare.
