

Fairlie, 1323 Clayton Road

Views of Lake Opuha and Surrounding Mountains

This is your last chance to secure one of the smaller sections in this up market subdivision near Lake Opuha.

This rare block of land offers views to Lake Opuha and breathtaking views across rural land to Mt Dobson and Fox Peak.

The 5850sqm section gives you ample space to build your dream home, or maybe you just want a holiday retreat and to fence the rest off for animals to graze. Phone, power and water from a bore supply are already to the boundary.

Lake Opuha is a man-made lake which is great for boating, fishing and swimming. This property is in the middle of three road accesses to the Lake, just a short drive or cycle away.

Lake Tekapo is also handy, about a 40 minute drive, with so much to see and do up there, possibly even some work opportunities. You can enjoy cycling some country roads or the Alps to Ocean cycle trail and if you enjoy the winter there are three local skifields nearby.
