

Lot 5-7/574 Hamilton Road, Fairlie

Which One Will You Choose?

Come and choose which of these three blocks you like the most before someone else does.

Each Lot is just over 1.2 hectares with slightly different views to the mountains and contours in the land. They are individually fenced so you can graze some animals while you prepare to build your new home.

There are water bores on each block for domestic and stock water, underground power at the boundaries and Consents to discharge domestic wastewater to the land.

Less than 10 minutes drive to Fairlie for Schools, sporting facilities, restaurants, cafes and shops. Walking and biking tracks are nearby as well as Lake Opuha for water recreation this summer.

Lake Tekapo is a 35-40 minutes drive (approx.) for work opportunities or to enjoy all the beauty and recreational activities the Mackenzie Country has to offer.

If these three sections are too big we can also offer you a 9000 sqm block in the same subdivision, but you need to act now to secure your first choice.
