

Matamata

Pippins Developments-Stage One Sections Available

Pippins Development is located on the boundary of Matamata township. The land was previously owned by a local family and used as a strawberry farm providing produce to the community. Stage One is the first of three stages within the development project. The vision for Pippins Development is to showcase a diverse range of high-quality homes for individuals, families, and investors. With an assortment of lot sizes ranging from 465 m² - 805 m². A blank canvas for anyone to make their dream a reality.

Sections within Stage One of this development are now available for purchase.
