St Marys, 7a The Flat

Affordable town block

With housing affordability being top-of-mind for most of us, it is a relief to find a building block that bucks the trend. This large, elevated block is ready for you to plan and build your home (STCA) and settle into the friendly and welcoming St Marys community. At less than 300m to the town centre, you're just a short stroll from all the essential services offered by the town, including supermarkets, cafes, pharmacy, pub, doctor surgery, hospital and school.

Steeped in history and recognised as a haven for people seeking an alternate lifestyle, St Marys is just fifteen minutes from spectacular East Coast beaches and thirty-five minutes to the vibrant centre of St Helens. The East Coast is a mecca for enthusiasts of mountain biking, fishing, surfing, diving, bush walking and wine and food trails. You'll be the envy of friends and family for your proximity to Binalong Bay, the Bay of Fires, Bicheno and the breath-taking Freycinet National Park.
