

80 Manuka Terrace, Twizel

Sheltered, Secluded & Ready to Enjoy

Set on 2.48 hectares of private land, 80 Manuka Terrace delivers space, seclusion, and authentic outdoor living.

The property is beautifully balanced, roughly half is established in mature trees, creating sheltered clearings and a true sense of retreat, while the remaining land is open and ready for future plans. Whether you're considering building down the track or simply wanting a base to escape to, the flexibility here is a real advantage.

Nestled within a protected tree clearing, three cabins are thoughtfully arranged to function as two bedrooms and a separate living space. The living cabin features a fireplace for warmth and ambience, flowing out to a generous deck and covered verandah that extend the living outdoors and provide year-round shelter.

Practical infrastructure is already in place, including a substantial woodshed large enough to accommodate a boat, a rainwater tank, long drop toilet, and an outdoor shower. A large raised platform serves as the designated kitchen area, reinforcing the relaxed, back-to-basics lifestyle this property embraces.
