4x2x2 With Theatre

This brand-new four-bedroom, two-bathroom home with a dedicated theatre room offers modern living with a stylish and functional design, all in a fantastic coastal location.

The home features a bright open-plan kitchen, living and dining area, enhanced by large windows that allow plenty of natural light to fill the space. The well-appointed kitchen is a true centrepiece, complete with stone benchtops, a large peninsula with generous overhang for seating, a gas cooktop, double sink and abundant storage. A separate butler's pantry with its own sink provides additional storage and preparation space, keeping the main kitchen beautifully organised. The living area flows seamlessly out to a paved alfresco, creating an ideal space for outdoor entertaining.

A separate theatre room positioned just off the main living area provides excellent separation and the perfect setting for movie nights or a quiet retreat.

The main bedroom is thoughtfully designed with a walk-in robe and a stylish ensuite featuring full-height tiling, a large vanity with stone benchtops and a spacious shower. The three secondary bedrooms all include mirrored sliding robes and are serviced by a modern family bathroom with full-height tiling and a generous bathtub.
