Enjoy the comfort and privacy of this well-presented three-bedroom home, offering modern updates and conveniently located near Alstonville shops. Although technically a duplex, this property is only attached to one other home (positioned around the corner), giving it the feel of a standalone house.

Inside, all three bedrooms feature built-in wardrobes, with new flooring to two bedrooms. The main bedroom includes a ceiling fan and brand-new air conditioning. The living area also boasts new air conditioning, while all-new blinds throughout add a fresh, modern touch.

The open-plan kitchen and dining area is well equipped with a new full-sized dishwasher, flowing out to an undercover outdoor entertaining area - perfect for relaxed afternoons. The bathroom offers a separate shower and bath, plus the convenience of two separate toilets. A full-sized internal laundry provides plenty of practical space.

Outside, you'll find a fully fenced yard with low-maintenance gardens,
