As soon as you walk into this home a feeling of comfort and relaxation comes over you. As you wander down the hallway to the open plan living space you will be seriously impressed with an abundance of sunshine, beautiful large windows and a french door that open to the sunny deck with views and then prepare delicious food in the modern kitchen and dine alfresco or inside in the dining area. Then in the winter you still get the sun but you can snuggle up in front of the gas fire!

The bathroom has been updated and with a bath as well, a wee pamper night in will be a real treat. The three bedrooms are all light filled spaces and a tranquil space to lay at rest at the end of the day. Outside, apart from the stunning deck, you will find a large garage with storage galore perfect for bikes, kayaks and surfboards and an easy care section.
