Located down a drive, overlooking farmland for that true peaceful feeling, sits this immaculately presented home. As you walk in it is evident care and attention has been paid to the renovations and three large bedrooms greet you off the hallway. The master bedroom is very spacious and has the bonus of an ensuite while the main bathroom is also spacious and practical to ensure everyone get their morning shower! Further down the hallway you are simply wowed by the kitchen and living spaces, it is here you can see yourself entertaining friends and family and relax and unwind in the peace and serenity. The views are stunning and the sun just streams in here.

Outside you will find a spacious deck for that ultimate in summer living (picture a wee beverage in hand and a cheeseboard) and then even wander down to the yard for a picnic
