### Penthouse Apartment With Panoramic Views

Majestically elevated with sparkling CBD and water panoramic views, this meticulously crafted penthouse reveals an incredible atmosphere of contemporary decadence. Upon entry, the property opens into an expansive layout that's flooded in an abundance of soft northern sunlight.

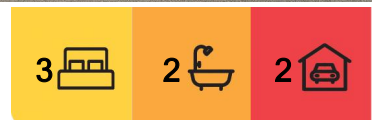

At the heart of the design, a chefs' kitchen with premium Bosch appliances acts as a central focus for large scale gathering and gourmet meal preparation.

Three indulgent bedrooms provide enough accommodation for family and guests to reside. Imbued with a sense of elegance, yet distinctly contemporary, the luxe master wing leads through a row of custom cabinetry to a sensational ensuite.

Complete with zoned, ducted heating and cooling, video intercom, lift, decadent bathrooms and two car garage the sanctuary commands a prestigious position within walking distance
