The well-maintained home is ready to live in and boasts wonderful street frontage.

Inside the home, an inviting living room and an open plan kitchen and meals area with timber style flooring are filled with natural light from the large windows. Three bedrooms with built in robes share a central family bathroom with separate toilet to provide comfortable accommodation and convenient amenity.

Additional highlights include new carpets, freshly painted walls, an updated kitchen, evaporative cooling, ducted heating, modern downlights and security shutters.

Set on a block of approximately 684m2, the generous yards are accompanied by plenty of covered outdoor areas including a large entertainment pergola, a side storage area and an extended front porch. All wrapped up with secure fencing and easy care gardens, maintaining this property will be a breeze.
