Suburb Snapshot

Dickson (postcode: 2602) is a suburb in the Inner North of Canberra, Australia. It is named after Sir James Dickson (1832—1901) who was a Queensland advocate of Australian Federation and one of the founders of the Australian Constitution.

Between 1926 and 1928, a small runway called Northbourne Aviation Ground was located where the Dickson Library and playing fields are now. This was Canberra's original airport. Dickson was gazetted on 28 September 1928, but the suburb was not settled until the 1960s
