This delightful property has so much to offer. With an open plan dining, living area with attached kitchen and two good sized bedrooms there is plenty of space to be compact enough to heat and clean but spacious enough not too feel hemmed in. The panoramic view of the city, from the balcony off the living area is spectacular. Nothing better than after a hard day's work to put your feet up and watch the city go by. A short walk to the central city, hospital and university all add to the desirability of this excellent property.

To complete the picture a basement parking space with lockable storage as well as an additional on - Street carpark for your own use.
