2Apply + TenantApp

1. Login or create a new account by going to www.2apply.com.au
 2. Click Find a Property, search for the property you wish to apply for and then click the Apply button.
 3. Fill out your application form by adding as much information as you can. There are multiple sections you will need to fill out; once you have completed a section it will change to a tick. You will be required to submit contact details for your Employment and Residential references, and provide proof of ID.
- To edit an application:** You can only edit unsubmitted applications. Go to the Applications section and select the Resume Application button. **If you wish to make changes to a submitted application, you will have to withdraw it first.**
- To add an applicant:** In the Applicants section of the form select the option that describes your situation; the 'Other' option will allow you to add more applicants. Make sure you click **+Add Applicant** and fill in their details before moving to the next section. They will be emailed a link to fill out their part of the application form. **Other applicants can't be added if the application form has already been submitted; you will need to withdraw and resubmit your application with all applicant details filled in.**
- Note: you do not need to wait for your referees to respond before attending a viewing.
