58 School Road, Fairlie

Fairlie Living

This home has had a makeover to make for comfortable, modern day living. It has three bedrooms, two living areas and an exceptionally wide hallway that will double as a play area. The home has been reconfigured with the open plan kitchen/dining/living area opening to the backyard.

The bathroom has a large shower and has been tastefully redecorated. The open plan living area has a log burner installed that will make things cosy for the winter. There is also a second log burner in the separate lounge so will keep the other end of the house toasty as well.

There is a single garage plus an adjoining storage area, an ideal place to store the firewood.

Located across the road from the swimming pool and an easy walk to school this will make a great family home.
