Brand New home in one of the Estates sought after streets. This home is really deceiving as there is more home than you expect - it is long and narrow.

Inside you will find 3 bedrooms plus study with a robe that could definitely be a 4th bedroom. Generous powder room style main bathroom and open plan living that opens onto the outdoor living area.

Ceiling fans throughout the home, plus air conditioning to keep the home cool for summer.

Good sized yard, this is a great first timer rental property or one for the downsizers.
