

68 Pollard Street, Glendalough

2x1 Townhouse in Glendalough

Perfect for low-maintenance living without compromising on space or privacy, this well-presented townhouse offers comfortable living in an increasingly sought-after pocket of Glendalough.

Arranged across two levels, the home has been designed with practicality and everyday comfort in mind. Downstairs, the open plan living and dining area flows seamlessly through to the kitchen and out into the spacious private courtyard, creating an easy connection between indoor and outdoor living. Whether it's relaxed evenings at home or entertaining with friends, the layout feels both functional and inviting.

The courtyard itself is a standout feature. Framed by established greenery and mature trees, it offers a sense of privacy and space that is difficult to find in homes of this size. With plenty of room to enjoy outdoors and an additional storeroom for convenience, it becomes a genuine extension of the living space.

Upstairs is dedicated to rest and retreat, with two generously sized bedrooms and a centrally located bathroom. The master bedroom includes a walk-in robe and split system air conditioning, while both bedrooms feature carpet flooring for added comfort.
