Walk to the beach, feel the breeze through the home, and settle into a place that makes everyday life easier.

Located just 500m from the coastline in the highly sought-after Eden Beach Estate, this near-new two-storey home delivers the perfect balance of lifestyle, comfort and practicality.

From the moment you step inside, the home feels right. Natural ocean breezes flow through daily, while warm afternoon light fills the living spaces, creating a relaxed, coastal feel that's hard to replicate.

Downstairs is designed for real living. The open-plan kitchen, dining and living area offers space to move, unwind and stay connected. The kitchen is both functional and well finished, featuring stone benchtops, gas cooking, a walk-in pantry and a separate scullery that keeps everything organised and out of sight.

Upstairs, the home offers a true sense of separation. The master suite is a private retreat with a large walk-in robe, double vanity ensuite and its own balcony. The main bathroom includes a full-sized 6ft bath, perfect for winding down after a long day or handling busy family routines with ease.
