Set down the driveway in this quiet beach side community lies a hidden gem. Sitting overlooking the Tomahawk Lagoon, you really would not think you are in Dunedin!

The large living room welcomes you into the home with the practical kitchen sitting along side it. If space is what you need in your living room then here it is! Three double bedrooms all get great sun and are off the lounge for easy heating in the winter months. The bathroom also is practical in design.

Set on a great size section, a carport at the door with ample off street carparking and a beautifully sunny balcony overlooking the lagoon, you will be set to enjoy some BBQ's, beverages and BYC in the coming months.
