Pleasant Point Family Home

This modernised villa has both modern features and classic charm. Three bedrooms, a distinct separation between the dining and living areas and double glazing. The interior blends contemporary elements with the home's "old character" charm with carefully chosen wallpaper, elegant chandeliers, and the focal point of the open fire ornament display.

The updated bathroom and the additional convenience of a second toilet at the rear, enhance the overall appeal, making this a great property for family living.

The shops are just across the road with both Pleasant Point Primary and St Joseph's being in close proximity. This location is very convenient to the town's amenities.
