While Port Douglas has all your dining out options covered, dining in is also a breeze thanks to the fully optioned kitchen that has everything you need including an oven, four burner cooktop, microwave, dishwasher, large fridge/freezer, dual sinks and excellent benchtop and storage space.

Meals can be enjoyed from the integrated breakfast bar or the separate dining tables located both inside and out.

Inside, the combination of air conditioning, ceiling fans, louvre windows, bi-fold doors, tropical inspired window treatments, tiling (carpets to the bedrooms) and cool neutral décor will keep everyone happy.

Outside, you can choose to cool off in the saltwater pool, top up the suntan on the sun deck, or take in the shade of the covered patio.

Meanwhile, the double lock up garage will keep your vehicle cool and at the ready for whenever you need it (hire car recommended).

Stroll to Four Mile Beach or take the bike and ride along the sand into town to enjoy the range of restaurants, cafes, bars, shopping, salons, markets, or the Superyacht Marina. And if driving is more your scene, it's an easy five minutes away.
