

Potato Point

Number 8 @ the point

Number 8 @ the Point is a hardwood pole home, aka a giant tree house, clad entirely with an array of exotic timbers and adorned with leadlight windows.

As you step inside, you are greeted by a generous open-plan living space that invites you to unwind and immerse yourself in its warmth. The kitchen is equipped with modern conveniences including electric cooking appliances, ample refrigeration with a second fridge in the laundry, dishwasher, microwave, and various small appliances. Whether you're preparing a feast or a quick snack, you'll find everything you need amidst the abundance of cutlery and crockery. A BBQ on the kitchen verandah overlooks the lush, sun-drenched backyard, offering an idyllic setting for alfresco dining.

The spacious open-plan living area seamlessly integrates the kitchen, dining, and lounge spaces, while a second bathroom and laundry provide added convenience. A slow-combustion fireplace in the sunken living room promises cozy evenings during the winter months.

Venture upstairs to discover a large second living room and four bedrooms, two of which boast private north-facing balconies, perfect for enjoying the gentle breeze and basking in the sunlight.
