Situated in one of Dunedin's prime locations this very tastefully decorated, warm and easily assessable home has certainly charmed us! It is evident that here is a home that will be warm in the winter, easy to live in and absolutely designed with your comfort in mind.

The stunning open plan living, dining and kitchen area is a great space to entertain in and when the summer months arrive the beautiful courtyard also makes an ideal spot. The two large bedrooms (master has walk in robe and access to the bathroom) feature great light and space. Further features include a large single garage with auto door, effective heating, easy care section and a handily placed laundry area.

- Premium location - walking distance to Roslyn shops, cafes and public transport
- New quality carpet and repainted throughout
- Country style kitchen
- Two spacious bedrooms
