A Character Home on the Fringe of the CBD

There's just something about this place ... A beautifully presented Californian Bungalow style home that is brimming with warmth and charm sits on the Taree West side of the CBD. Featuring three large bedrooms, two bathrooms and an inviting lounge room furnished with a cosy fireplace. The original high ceilings, hardwood timber floors and elegant leadlight windows are all a testament to the beauty of its time; in impeccable condition and simply a pleasure to look at. The kitchen has been updated with equally impressive timber benchtops adjoining a formal dining room and a full length sunroom that could double as a second living space.

The exterior of the home is just a treat with a large level backyard (approx. 790.4m²) and a timber deck that could be used to entertain in the afternoon sun plus a single lockup garage for parking or storage. The wide wrap around verandah provides a private haven to sit outside with your coffee and enjoy the serenity of your lovely home.
