Furnished and Low Maintenance Living by the River

This fully furnished two-bedroom, two-bathroom home offers relaxed riverside living with lovely views of the Manning River. Located on a quiet block, the home features spacious interiors, a single car space, and a combination of shared and private outdoor areas — including a shared BBQ/verandah space as well as your own private verandah to enjoy.

Ideal for working professionals, this property suits those who are comfortable living in a shared environment but still value their own space. With garden and lawn maintenance included, and all furnishings provided, all you need to bring is yourself and a suitcase.

While the recent floods brought water onto the verandah, the home itself remained unaffected. A comfortable, low-maintenance option in a peaceful location, this home is ready for you to move in and settle down with ease.
