An Exciting New Development Coming to Taree West

A rare new three bedroom townhouse is taking shape in Taree West, offering a one of a kind opportunity to secure a brand new home while construction is well underway. Designed for comfort, energy efficiency, and effortless modern living, each three bedroom residence will be supported by solar power and single phase power suitable for fast EV charging, making day to day life smarter now and into the future.

From the moment you arrive, Amplimesh screen doors add peace of mind, while inside you will enjoy original polished timber floors that bring warmth and character throughout. Every bedroom includes built in wardrobes and the home is designed for year round comfort with air conditioning in all bedrooms and the lounge, plus ceiling fans throughout.

The kitchen is being finished with quality in mind, featuring an induction cooktop, electric oven, dishwasher, and European appliances that deliver sleek performance and a clean modern look. Roller blinds complete the finish, offering privacy and light control in every room.
