THREE BEDROOM IN TATHRA

This neat and well-maintained home offers comfortable living, ocean views, and a lifestyle that perfectly captures the relaxed charm of the Far South Coast.

The home has been lovingly cared for and features a practical layout with three bedrooms, two of which include built-in wardrobes, while all bedrooms are fitted with carpet for added comfort. The bathroom includes both a standalone bath and separate shower, along with the convenience of a separate toilet.

At the heart of the home is the spacious living area, where timber flooring adds warmth and character, while large windows capture elevated ocean views and natural light. From here, there is direct access to the rear deck, creating the perfect space to relax, entertain, or simply enjoy the easterly aspect and coastal outlook. The deck itself features a durable steel frame and provides a peaceful setting to take in the sea breeze.

The kitchen is neat, functional, and generously sized, offering plenty of storage and workspace for everyday living.

Outside, the property continues to impress with a carport, spacious front and rear yards, and a fully fenced backyard with double gate
