

## Timaru, 15a Raymond Street

Handy to Bluestone School

This home offers apartment style living with the benefit of a small lawn and garden area to enjoy. The living, bedrooms and bathroom are all upstairs with a rumpus room and garage below.

From upstairs you can enjoy 180 degree views, from the sea to the mountains and still be able to enjoy reasonable privacy. The kitchen includes a dish drawer and wall oven and has good workflow. The living space is heated by a heat pump and has a comfortable feel to it. Both bedrooms are doubles and the bathroom has a shower over the bath.

Downstairs there is an additional space that would be great for the pool table or as a getaway for the teenagers. A lawn area and some easy care gives the family additional space to enjoy. There is a single garage with internal access as well as a double carport. Please note this property has a shared driveway and also has a separate flat attached. This is very handy to Bluestone School as well as Timaru Boys.
