

Timaru, 187a Rocky Hundreds Road

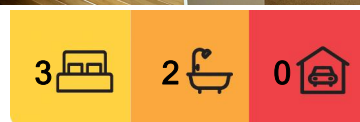

Country Living

This spacious three bedroom home in a country setting but only minutes to town is available to make your own in August. The bedrooms are all doubles with wardrobe, plus there is the convenience of two bathrooms that makes so much easier getting the family out the door in the mornings. The kitchen dining area is open-plan with an adjoining separate lounge, with great storage spacing throughout.

The home soaks up the sun and is in a sheltered setting. For the cooler times there is a heatpump. The outside decking area will be a well used additional space all year round. There is plenty of off road parking for the vehicles.

The serenity is bliss! Pet negotiable.
