

7 Hertford Street, Timaru

## Cosy Cottage

Located close to the hospital and botanical gardens, this two bedroom home has just had a freshen up with paint and new carpet.

You'll be super cosy with both a log burner and heat pump to keep the winter chills at bay. The living area has plenty of room for a dining table plus space to enjoy lounging in the sun. There is a wet floor shower and separate toilet as well as a compact kitchen.

A flat, sunny section to enjoy pottering in the garden and relaxing under the shade of the tree. Also lots of space for off-street parking.
