This tidy two-bedroom stand-alone townhouse is available for long term renting.

The living area is a generous size with dining area plus living, all in one. A heat pump plus lots of sun streaming in will keep you cosy in the cooler times. The lounge area has a peaceful outlook to trees which give privacy from the neighbours. Two double bedrooms, with the main bedroom having an ensuite. The kitchen layout is functional and has that "all important" dishwasher to save you time.

There is an internal stairwell connecting the house with the garage and this property falls within the Gleniti School zone.
