

Tully, 11 King Street

2 Bedroom Home + Study

The home is split level with a lounge room, two bedrooms, study and the bathroom on one level. A set of stairs leads up to the combined kitchen and dining area. Glass sliding doors open onto a private balcony, a great spot to relax morning or afternoon.

Downstairs is a great undercover patio area, perfect for entertaining or just some extra living space. There is a storage room attached, as well as a carport. There is also a single vehicle garage in the backyard with additional storage space. A fully fenced yard and established gardens add to the charm and appeal of this property.
