

11 Fraser Crescent, Twizel

Family living on Fraser

This three bedroom house was transported to site and is very different to your standard hydro home. The property has been opened up to offer a large family living dining with a large kitchen complete with substantial breakfast bar, great for socialising.

The laundry has thoughtful storage and the bathroom has been modernised. The addition of a separate toilet makes shared living easier.

Note there is no garaging with the property as it is to be fenced off in the future, off street parking will be available.

There is great outdoor living though with a fantastic deck and rear yard.

\$530 per week. Available 11th of May - potentially earlier.
