Warkworth, 18 Victoria Street

SORRY NOW RENTED PENDING PAPERWORK

SORRY NOW RENTED PENDING PAPERWORK AN OASIS WITH BEAUTIFUL GARDENS AND TREES

Each window has a picture view of the plantings and mature gardens which you can enjoy without the effort as the grounds are looked after for you. At the entrance hall you go up the light filled stairway to the upper level with a feature photo gallery and interesting angles. The kitchen is new with a dishwasher, wall oven and ceramic hob, a double fridge space, a walk-in pantry and room for all your culinary dishes. The sunny living area opens to the multi-level back deck which leads to the gardens and lawn area.

There are decks both front and back off the living area and the master bedroom has a walk-in wardrobe and an adjacent study or hobby room. The bathroom features a luxurious tiled shower, and the laundry is tucked away behind closed doors and there is also a separate toilet with wee designer vessel basin.

The garage allows internal access which is wonderful with all the rain we have been having. Just to note that there is a self-contained unit with its own entrance on the ground
