

39 Harvest Way, Wilton

Brand-New Family Home Offering Space, Style, Exceptional Storage & Solar Panels

Welcome to 39 Harvest Way, Wilton – a stunning brand-new four-bedroom family home where contemporary design, beautiful natural light and exceptional functionality come together to create an impressive place to call home.

From the moment you step inside, the home's generous proportions immediately stand out. Wide hallways, high ceilings and an abundance of natural light create an open and welcoming atmosphere, while beautiful finishes and statement pendant lighting add a sophisticated touch throughout.

Designed with modern family living in mind, the home offers an impressive amount of storage, spacious living areas and a thoughtfully designed floorplan that makes everyday living effortless.

At the heart of the home is the beautiful open-plan kitchen, living and dining area, creating a spacious central hub for the whole family. The

LJ Hooker

contemporary kitchen offers generous bench space, quality appliances, sleek cabinetry and an abundance of storage, complemented by beautiful pendant lighting that creates a striking focal point.

One of the standout features is the huge walk-in butler's pantry, providing exceptional additional storage and preparation space while allowing the main kitchen to remain clean and uncluttered. Whether entertaining guests or preparing everyday family meals, the additional space makes this kitchen incredibly practical.

The open-plan living and dining areas are filled with natural light, creating a bright and inviting space to relax, entertain and spend time together as a family.

Accommodation comprises four generously sized bedrooms, providing plenty of room for the entire household. The master bedroom offers its own private retreat, complete with a walk-in wardrobe and beautifully finished ensuite, while the remaining bedrooms are serviced by the stylish main family bathroom.

A large separate internal laundry provides plenty of space for everyday household needs, with additional storage making it easy to keep everything organised and out of sight.

Storage has been carefully considered throughout the entire home. In addition to the butler's pantry, laundry and internal storage, the double lock-up garage features a dedicated storage area, providing valuable extra space for bikes, tools, sporting equipment and other household items without compromising on parking.

For year-round comfort, the home features ducted air conditioning throughout, while the addition of solar panels provides the opportunity to benefit from more energy-efficient everyday living.

An alarm system adds another layer of security and convenience, while the home's quality finishes, statement lighting and thoughtful design give the property a polished and luxurious feel.

Outside, the home continues to offer easy-care family living, providing the perfect balance between indoor comfort and outdoor space.

Being completely brand new, 39 Harvest Way presents an exciting opportunity to be the very first residents and enjoy everything this beautifully designed home has to offer.
