

53 Blackett Avenue, Young

SPACE CHARACTER AND SERIOUS SHEDDING

This beautifully renovated home is on a generous 1,103sqm block . . . 53 Blackett Avenue offers flexible living arrangements to suit a wide range of lifestyles.

The layout offers genuine flexibility, with the option to configure the space as four bedrooms with one living area, or three bedrooms with two distinct living areas including a sunken lounge.

The kitchen has, gas cooking, dishwasher and timber floorboards that flow through to the dining and living spaces. Two freshly renovated bathrooms round out the interior.

Solar panels keep the running costs down. For those with vehicles, tools & hobbies the property is exceptional — a massive 4-bay garage (approximately 11m x 7m) plus an additional 2-bay carport means space is absolutely not an issue.

Set back from the street with dual driveway access and established surrounds, this is a home with real presence, real space and real character.
