A light-tone brick and weatherboard mixed facade is paired with simple tidy landscaping, creating an alluring atmosphere. A single garage sits behind the sizeable driveway, providing parking for two vehicles.

As you step inside, you'll first past the powder room and laundry on your way down the hall to the open living space at the back.

The living and dining room is drenched in natural light through sliding doors and tall windows, with LEDs above shining onto the large format, easy-clean square tiles below. An air-conditioning unit keeps this entertainer's paradise comfortable all year round.

Heaps of cabinetry and swift electric appliances allow for effortless mealtimes in the family kitchen, with both a high bar and breakfast bar adding to the open and airy vibe within this lovely home.

Sliding doors open to the back covered patio, with a low maintenance garden adding to the immediate appeal of this fully fenced backyard.

Three generously sized bedrooms occupy the upper level, each with crisp air-conditioning, built-in wardrobes and ceiling fans for added comfort. The master suite enjoys a little extra luxury, with a personal ensuite, while the other two rooms are serviced by the family bathroom with a shower-over-tub and plenty of storage in the vanity.

With extra storage space throughout and side external access through the laundry, everything has been considered so even the busiest of families can enjoy a stress-free lifestyle.
