Modern Beachside Living Without the Maintenance

Tucked within Alkimos' popular beachside estate Trinity Aura, this near-new home offers a simple, modern lifestyle just moments from everything that makes the area so desirable. Built in 2022 and beautifully maintained, it presents like new and is perfectly suited to first home buyers, downsizers or anyone wanting an easy-care coastal home.

All three bedrooms are positioned toward the front of the home, creating a quiet and private zone away from the main living areas. The main bedroom features a walk-in robe that leads through to a light, open ensuite finished with stone benchtops, while the additional bedrooms are well sized and include built-in robes. The main bathroom follows the same clean, modern style with stone surfaces, a full-size bath and separate shower.

Toward the rear of the home, the kitchen and living area form the heart of the space. The kitchen is finished with stone benchtops and modern appliances, overlooking the open-plan living and dining area and connecting seamlessly to the alfresco and easy-care courtyard.

Outdoors, the focus is on relaxed, low-maintenance living. The
